JULY 16 QUARTERLY COMMUNITY MEETING

CINCINNATI, OHIO - JULY 12 -- The U.S. Department of Energy will hold a community meeting on Tuesday evening, July 16, concerning the Feed Materials Production Center, at the Meadowbrook Inn, 2398 Venice Boulevard, Ross, Ohio. The meeting will discuss recent cleanup activities at the site.

An exhibit staffed by persons involved in these activities will be open from 6:00 - 7:00 p.m. The actual meeting begins at 7:00 p.m. DOE spokespersons will discuss current cleanup activities, as well as related issues. In addition, Leo Duffy, Director, Environmental Restoration and Waste Management, U.S. Department of Energy, is scheduled to present a Headquarters statement. The U.S. and Ohio Environmental Protection Agencies, and Fernald Residents for Environment, Safety and Health will also make brief statements. A group question-and-answer session will follow the presentation.

"This public forum continues to demonstrate DOE's commitment to keeping the community informed about our efforts to clean up the Feed Materials Production Center," said Gerald Westerbeck, DOE Site Manager.
